

Mr. Colby:

AT called and left the following message for you:

"Dear Bill:

Every time I come to town you are either on the West Coast or in conference. I will try to get a hold of you later to say hello, but if I miss, I want you to know that all of us miss you very much and wish you well.

Warmest regards, and love and kisses,

Jake"

I asked if there was a number on which we could reach him, and he said it would be easier for him to call you back. I suggested he try between 2:30 and 3:30 this afternoon. He said he'll be in town until noon tomorrow.
